

Anime & Kanji T-Shirts (hats & hoodies)

When we began our funny Japanese T-shirts more than ten years ago, we had no idea what a cult we were creating with college students, anime fans and general Japanophiles. All our original T-shirts are printed in San Diego on 100% cotton T-shirts 6.1 weight, 100% pre-shrunk. All shirts come with a professionally-printed tag to explain the meaning of the shirt. Note: if you wish to have shirts bagged in plastic polybags please let us know. Our new hats are all embroidered with multi-colored thread. Note: Domo (c) NHK-TYO 1998, all rights reserved.
